Dear [REDACTED],

Thank you for your interest in our Frontgate products.

The cost of shipping order #W2584790 to the US Virgin Islands will be \$389.14 plus the cost of the item(s). The prices included in this quotation are valid for 60 days from the date of the quote. Merchandise is not being held for this order and cannot be allocated until credit card authorization is obtained. If an electronic signature copy of this quote or a reply to this email with your approval is not returned within 5 business days, your order will be cancelled. All orders require payment and approval prior to shipping. **If you are approving the shipping charges and have not already provided your card number and expiration date, please call us at [REDACTED] with that information or fax it to [REDACTED] and refer to your order number.**

Please keep in mind the shipping charges cover only the cost of shipping to the final destination. Due to import fees and taxes varying from country to country, the recipient is responsible for any import fees, customs duties, taxes and/or any other fees imposed on the shipment. If the fees are acceptable to you, please reply to this email that you are accepting the international ship quotation and any additional import/taxes/customs duties that may be assessed.

Orders shipped outside the United States are not refundable, therefore, the Frontgate Guarantee is not available on International Orders. However, we will support all manufacturer warranties, including exchanges for the same item, if necessary, during the warranty period. If for any reason there is a need to return an item to us, please be aware that you will be responsible for all return shipping fees, including Customs and Import fees. We cannot refund international shipping expenses.

If you would prefer to have your order shipped to a freight forwarding company in the United States, we would be more than happy to quote shipping charges to a domestic location.

If the above options do not meet your needs, simply reply to this message requesting we cancel the order. We thank you for your interest in Frontgate and look forward to serving your future shopping needs.

If you need any additional assistance, please contact us at [REDACTED] 8am to 7pm EST or email at [REDACTED]

Sincerely,

Dennis Beyer
