I would suggest if you want to go darker somewhere, do it in the bedroom and keep the living room a lighter gray.

>> Hey [REDACTED]. have you chosen a color yet for your apt? If you have an idea of what you want, you should get a few small pints at Janovic of colors you think you like and paint a test on the walls to see it in person on the walls. We can compare the color with a fabric sample of what your bed is going to be to make sure it looks good with it.
