Hey [redacted]. have you chosen a color yet for your apt? If you have an idea of what you want, you should get a few small pints at Janovic of colors you think you like and paint a test on the walls to see it in person on the walls. We can compare the color with a fabric sample of what your bed is going to be to make sure it looks good with it.  
Do you need bed side tables, dresser, for bedroom and all living room furniture?
