hi sarah,

sorry, i worked 6 days and a half (nov 20 to nov 24, nov 26, and nov 27 until 2pm)

.....
at the begining of the 3M project , sue asked me an estimate and i told her it would be around \$2,000, and it would take like a week..but i was not sure exactly how many days..

and then i asked michael how much he charged for the apartments, and he said \$2,000 for apts and \$1,500 for studios..
.. should i talk to rich kahn?
