 MAISON&OBJET

scènes d'intérieur,
Maison&Objet éditeurs,
and now! Design à vivre, 3 tradeshows
gathered to give honour to luxury tainted with
extravagance, design and upholstery fabrics.

scènes d'intérieur Hall 7

Even more extravagance, creativity, new trends... as for each scènes d'intérieur session, the creative spirit transports us and leads us to discover combinations of materials, the most unexpected proposals, exceptional pieces. Styles, atmospheres and personalities are now brought together at the heart of Hall 7.

MAISON&OBJET éditeurs Hall 7

now! design à vivre Hall 8

With ever more innovations and experiments, enjoy the latest design ideas without moderation at now! design à vivre. Materials are transformed, used in unexpected ways and combined to create daring objects or pieces of furniture.
