Each of those books I gave you last week has a different showroom but I can get the lady to coordinate with you to get you to go to each showroom. Would you like to do that asap or after 1st? Did you have chance to look at the chefs document I sent you with all Jeff's likes and dislikes?

Thanks Steve. Also, I could go to the showroom and take photos of what I think he would like as well. Where is the showroom in NY?
