They will be outside, but covered overhead. The address I gave you was a business address. FTC stands for Financial Trust Company if you need to write it out on the airway bill. I'm not sure what happened to them, but the suite number was incorrect on the shipping documents and it was not addressed to [REDACTED] [REDACTED] (or any person for that matter) so I'm guessing that could have something to do with it. My client wants these ASAP, so if I can place another order and please have them addressed exactly as I've asked, that would be great. Thanks

Hello [REDACTED].

There are 2 Pace Clocks somewhere on your complex or TNT have stolen them !

I believe that TNT should be held accountable for your loss but I bet their small print will say otherwise.

Swim club... we always need to put this if a Parcel maybe going to a private address as some carriers charge extra for private addresses.

Can I ask is your Pool 'External' being in the Virgin Isles ? as the Battery powered Pace Clocks you ordered are for 'Internal' only .

Kind regards

Hi Steve,

I will need to reorder 2 of these pace clocks as we never received them and don't know where they were delivered to. The address that they were addressed to is not the correct address; it's close, but not the address I gave you to ship to. The address they need to be shipped to is:

[REDACTED]
[REDACTED]
FTC
6100 Red Hook Quarters Suite B3
St Thomas, USVI 00802 USA

EFTA00557634

I'm not sure what the "Swim Club" is and there is not a suite 5. We are suite B3
Can I please reorder these and have them shipped out ASAP. Thanks

It will be quicker if your person can call tnt Virgin Isles & ask. I will start to ask tnt but it will take a day to discover.

Kind regards

Greetings [REDACTED],

There are no unaccounted for packages in the FTC office. I just spoke with the AYH office - they have no employee with the name N. Branch, they have no packages that have not been identified.

Please advise, DW
