---

I was going to send this to JD and Laura with DG. Any thoughts? [REDACTED] is there anything in here that isn't 100% accurate?

Thanks,

Hello,

I know there have been a few questions about [REDACTED] past and our relationship. As anyone that has spent time with [REDACTED] will attest she is a very sweet and very special person. Unfortunately her boss made a big mistake and he paid his debt to society for it. I have researched this as much as possible and have not found anyone or anything legitimate that suggest she had anything to do with supporting his actions.

Below is Ken Starr's information including a bio. He helped with the case at the time and is prepared to answer any questions either of you may have. [REDACTED] had nothing to do with the criminal case and had no involvement in the personal mistakes her boss made. It was the civil suit where some girls were suing her boss for money that she was brought into it. They sued everyone they could to put pressure on him. Including the fabrication of stories in tabloid magazines. In this case Ken and the other attorney's ask [REDACTED] to take the 5th for her protection but mainly for the rest of case. It frustrated her but it was what counsel asked of her.

This topic is obviously something [REDACTED] has tried to put behind her. She is more than happy to speak to anyone with questions regarding it but it's not something we bring up as there is no upside in it. Below is her information as well. Either of us are always available for any questions. Unfortunately I have had some problems with a female fan that has become borderline stalker. She has tried to stir up problems with all of my ex's online and recently threatened to send something to my sponsors. I'm assuming this came from her. If you are ok with it I would like to have the email or emails that were sent to you so we can get a handle on the situation.

I look forward to a successful season together and can't wait for you all to spend some quality time with [REDACTED] and I so you will be able to make your own judgments.

Have a very Merry Christmas!

All the best,

[REDACTED]
