Tried those..doesn't work. Hmm. It's 3 digits..tried 909, 908, 525, 120, 000, 111, 222, etc...
Any idea what's inside the trunk?

Hi [REDACTED].

Ghislaine said to try 000 or 111. She said it is from 100 years ago and it used to be in a bathroom to store towels.

Hope this helps!

Best,

Hey [REDACTED].. I'm trying to clean out some closets here at 71st and there is a big black crocodile trunk which is locked with a combination lock. i think it's something GM dropped off here awhile ago. Can you ask her if she by chance knows the combo? thanks chica!
When's the big day gonna be?
