I wrote it out... I also gave her staff line for delivery and coordinated with Lynn so it's all set. I said don't rush and phoned right after saying I would do if too much. I just wanted her to see its just a list and she could accomplish something on her own, not just cosmetics. ? Wrong move?

There's no point to 'just berries'... its easy to do all together.
And no worries/rush for today if you can do tomorrow am. The store opens at 8a and delivers!

From the top:

x2 packs each berry- ras, blue, strawberry.
x1 large pack green grapes
& x1 large pack purple grapes
X6 'on the vine' tomatoes- not mushy at all.
X4 avocados - dark green
x1 bunch 'flat leaf' parsley
x1 bunch chives
x2 containers of assorted chef mushrooms- they are labeled as so and already "assorted".
x12 cans Illy coffee - whole bean press coffee (red top, just make sure it's whole bean and stock up!)

It's all spelled out. The guys in the store can help you find anything on here. Trust me, I ask all the time. Xx

Thanks ■. The Illy coffee is also at Graces. If you can add 12cans to your list. Also, I do usually go to graces for this stuff. It will be a lot so I get it delivered. Ask Lynn for the number she uses for Graces delivery and also let her know to expect a delivery and around what time. She can pack the bag up if gotten to her early enough- either tonight or very early tomorrow. Xx Thanks! Let me know if you have any other questions.
