Who should I speak to about it and I will call if you want. If you want to get in touch with them and let me know what to do that is fine too. I have spoke to Chris and he is on hold till I figure out details.

Hi [REDACTED]! Did you touch base with concierge about the delivery of the motorcycle tomorrow, or would you like me to?

If he can. Looks like we may not be there now but would be nice to have it when I get back. You or [REDACTED] can ask the concierge to show them where to put it next to the other bike. Which is right behind our elevator bank. The elevator bank that goes to our unit. The concierge can hold the keys or put them in the unit.

Thanks,

It looks correct other than I thought the 600 Miles services was under warranty? I know the kickstand should be. The windscreen and the pips are correct. The oil is as well so long as all of that wasn't included in the 600 miles service warranty? I honestly don't know and trust chris but it could have been an oversight on his part.

Thanks,
