We're planning on heading down that Thursday and staying through till Monday or so. Flexible as always. Let us know what you're looking at, and maybe we'll plan similar dates, even though you'll be racing Iowa that weekend.

It is Real!!! Save the dates are on route! The date of June 8th is set! We have chosen our Island paradise and cant wait for you to help us celebrate and have some fun beach partying! I highly recommend making it a true vacation for as long as you can possibly come down to Turk for !

Most of the festivities will take place at the awesome Grace Bay Resorts, and we have negotiated some incredible deals. The rates are attached and are good for the week before the wedding and week after as well. As I said, ideal situation is to come down on Wed/ Thursday the 5/6th and head out on sunday the 9th of June! There will be reggae bands, bonfires, boat trips, pong tourneys, sailboats tennis, paddleboards, miles of beach and sun sun sun .....

Im fired up and so happy to have you join us! If you have any questions or need any help please contact Melissa Possumato (cc'd here...who is helping us coordinate everything). You will be getting save the dates and can see our wedding website very soon. I just thought id give a heads up . Also, flights to Turks ( airport

code PLS) are available on jetblue, United, American, an US Air  
Lots of love and cant wait to see you!
