Please confirm that this kitchen has no "kick plates" along the base cabinets. None were delivered.

Hi [REDACTED]

We have scheduled delivery for Tuesday 12/11.

You will be contacted by Naomi from our accounting office with payment information which is due at the time of delivery. Please be advised a check will need to be either onsite and given to the delivery company at the time of delivery or sent to our showroom by Monday 12-10-12. The delivery will not be made unless we receive a check by the day of delivery and additional charges may be applied if a second delivery is needed. Let us know if you have any questions, Naomi should be emailing you within the next couple days with all the payment information.

Thank you,

Tabitha

Hi Penn,

The cabinets for the [REDACTED] kitchen have shipped from our factory and we expect to have them in our warehouse tomorrow. When would you like them delivered to the jobsite?

Thank you,  
Tabitha
