Haha, Lindsay IS exhausting! Haha....

OK well, would you like to do a shower with the larger group and then a bachelorette thing with just me and [REDACTED]? What is your ideal? Also, for a bachelorette- what "feel" do you want? I know you liked [REDACTED] & [REDACTED] with the duel one- is that something you would want? I just want to be sure you get what you want. Whose #1? ☺

Jackson Hole, could be amazing. The scenery alone is breathtaking – no ambience creation needed! I loved that save the date you found on pinterest. Super cute. It would def make arrangements easier since its stateside AND they speak English there. But whatever you decide will be perfect! xoxo

Haha. You're funny. I really don't have anyone I care to do anything with besides you and [REDACTED]. If I had to make a list for a shower, it would be you, [REDACTED], [REDACTED], [REDACTED], [REDACTED] (she lives in Dallas) [REDACTED] from dinner on Friday, and I should probably invite [REDACTED] but she is exhausting!!

I really need to try and be more social! ;-)

I'm now leaning more towards Jackson Hole for the wedding. Just more secluded and quiet and beautiful nature. Set up a big tent for the reception in front of David Sokols house and have ceremony outside with the Tetons in the background.

Hi babe,

Seeing that your nuptials will be in September, I want to start mapping out the year with your wedding needs: shower, bachelorette, etc. With that said, can you please send me the names, emails of girls you would want included in these festivities? (Don't worry, I already have Christalle's info) heehee.

Can you also give me a few options of what you might want to do for the bachelorette weekend...or if you even want one! I have a few ideas but I want to see what you are thinking first ☺

xoxo
