Morning [REDACTED],

The sink that goes with this vanity is a white integrated ceramic sink/countertop all in one, see attached image. We have stock coming in by 2/6. Let me know what you think, your price on the sink would be \$306.77

Thanks,
Marisa

Hi Marisa! Happy new year.

I am having trouble finding a vessel sink I like to fit the Dylan vanity. Was wondering if the sink you guys have for the vanity is in stock by chance?

Thank you Marisa,

What is the designer cost of this vanity in white lacquer, just for the vanity; I think I will do my own counter top with a vessel sink on top. Also, what is the lead time?

Also, can you give me the proper name/color of the attached taupe colored tile? I want to use it for my bathroom floor. It's written on the side of the tile " Planc Arena" I think...and what sizes does this tile come in?
Thanks!!

Hi [REDACTED],

Please see specs attached of the vanity you were interested in. Let me know if you have any questions about the tile as well!
