Christina,

I hope your new year is off to a good start. We just got back to miami and I was wondering if we could come up this evening for the introduction and then have dinner with some friends afterwards.

Not sure how long the intro would take but say dinner around 8 and work backwards from there. Maybe 7-730 intro depending on how much time you need.

Thank you!

Jordana,

Thank you for the invite but unfortunately I am currently out of the country. I would be happy to make the next events dates permitting. My schedule is usually set pretty far in advance so the more notice the better.

Look forward to seeing you soon!

All the best,

[REDACTED]
