i also went to room and board and saw them! everything looks very nice!

i took the photos of all the mirrors there as well - will send you! JE did not like the unframed mirrors.

and I got the samples of the rolling shades - we will look with [REDACTED] which of these will look better in the bedroom and the living room.

What do you think about the rug?

JE prefers the lighter stain for your bedroom furniture. Are you good with this? Do you like this style? If so, I will go ahead and order the 2 side tables, dresser and wardrobe for your bedroom

Do you like this wardrobe, dresser and side tables for [REDACTED] bedroom? It comes in the charcoal stain as well as the lighter shell stain. I think the charcoal looks great with the wood floors. I know [REDACTED] said she can use more closet space, which the wardrobe has a hanging bar as well as the drawer space. All these items in Charcoal stain are in stock and can be delivered next week on the 22nd if you like them. The dresser and wardrobe would both fit on the wall opposite the bed.

The lighter stain, "shell" would be available in the warehouse by Jan 22nd, then could be scheduled for delivery after that date.

Thoughts?
