Were they able to accommodate your request? If not, though Dale the engineer is off site, I can ask him if he knows anyone/company that could take care of this for you. Please email exactly what you need if that's the case so I can forward.

Also, thank [REDACTED] and you, profusely for I'm sure was quality time well-spent with and for my son, truly appreciate it and hug to Mrs. [REDACTED].

Thanks again,
