[REDACTED] will you call and order this hose. They have an offer right now for two hoses and two of the water handled nozzle guns with 7 settings for 19.95. Not bad. This hose is awesome. 75 ft that shrinks into almost nothing when empty. Send them to NYC. Not sure if we need two there but may not be bad to have 150 to reach back side if needed but will mainly be used for hot tub. Worse case we could send extra to randy for bus or if we like it order one. Or you can look at website and just order another set for bus if you like. I think it would be good for bus too but don't know what randy has.

Thanks,

[REDACTED]
