You can ship it there if you need or we could just come by to pick it up when we return.

David wants Curves for his set.

Thanks,

I love the NY Black & White!! Should I ship them to [REDACTED]?

I am glad David likes the photograph, I knew he would. It is such an awesome present. ☺ I can't do any number under 100, but numbers 566 and 655 are available, as well as 555 and 666.

Let me know.

Katie

[REDACTED] and I would like the New York B&W Element Package. I have emailed David to see what he wants. I sent him the package on the photo. He loved it! So excited to receive the photo.

Let me know if you can still get one with his football number in it.

Thanks,
