They are boarding the Jackson flight now. It doesn't look promising for [REDACTED] to make this one. He is due to land at 8pm. I will take the Jackson flight but try to delay them if possible! See you soon.

[REDACTED], I asked customer service about changing my flight to the Idaho Falls flight on the chance you [REDACTED] make the Jackson flight and they said I can't change it since I have checked luggage. So regardless, I will be taking the Jackson flight. Fingers crossed its delayed

Hey Darling,

I'm trying to make my next leg. It's delayed. It says we will get into Denver around 7:07PM. (United 3635, STL-DEN) The plane we are taking has left Chicago and is on the way here but hasn't landed yet. We are suppose to take off at 6:40PM Central.

Which is may be too late to make the Jackson Flight (United 4872, DEN-JAC) unless they will hold the door a couple minutes which will be up to you to make happen. It is the last flight for that plane and wouldn't effect anyone else as there are no connections afterwards. This should be your argument when your pleading with them.

My backup is to take the flight from Denver to Idaho (United 6538, DEN-IDA, landing at 11:27PM) then I will drive over.

Ideally try to convince them to hold the DEN to JAC flight a few minutes, as it will not effect anyone else negatively, it's the last flight.

Thanks honey and I will keep all of you posted!
