Great! Thanks so much. Maybe they could drop the keys in the apt, and when they do could you ask them to make sure the AC is turned up to 78 degrees? I asked them to do this before, but I want to make sure it was done! Thanks!

I spoke to Suzy and Chris and have a plan. It will be delivered tomorrow - Chris is a little behind today. Just let me know where he wants the key left (in the condo or where).

Hope you guys are having fun!

Hi [REDACTED]! Did you touch base with concierge about the delivery of the motorcycle tomorrow, or would you like me to?

If he can. Looks like we may not be there now but would be nice to have it when I get back. You or [REDACTED] can ask the concierge to show them where to put it next to the other bike. Which is right behind our elevator bank. The elevator bank that goes to our unit. The concierge can hold the keys or put them in the unit.

Thanks,

It looks correct other than I thought the 600 Miles services was under warranty? I know the kickstand should be. The windscreen and the pips are correct. The oil is as well so long as all of that wasn't included in the 600 miles service warranty? I honestly [REDACTED] know and trust chris but it could have been an oversight on his part.

Thanks,
