Hi [REDACTED]. Room and Board was supposed to deliver the rest of our couch this morning between 8am-10am. They haven't shown and I've called 3 times with no news. I have given them your cell to call once they know when the driver will be there since we are about to take off now for Anguilla. The order number is:

[1728346](#)

Could you pls let Suzy at the Continuum know [REDACTED] ext 221, or coordinate with Becky to accept delivery as they are staying at the apt now. Becky cell is [REDACTED]

Thank you so much. Hopefully it will come today at some point.
