Happy New Year to you too Darren :)

Rich just told me that the floor plans are at his house (?) and he will return them in the morning.

I have asked him what time he plans to be in as he sometimes comes later in the morning and stays a little later in the evenings. I will be there with the photos done by the time he comes so that I can just address how to make the plans clearer and see how I will correlate the photos to the plan.

Hey, Gang. Happy New Year to you both!

Let's try to get this done with clear plans and good pictures by tomorrow so I can send everything out.
Thanks.

Ok thanks. Maybe you could just take a photo of the plans with your camera. Might be easier.

Thank you [REDACTED], they are a little blurry, Perhaps it is possible to scan them at a higher resolution. I am going to go to the house this afternoon to take more pictures so I will ask Rich for the originals and see if there is anything I can do.
