She also has the other apt codes for Time Warner visit., but not the maids. I don't think we have to rush to change all of them today, but us and DKI we should change.

will do. I'm having [REDACTED] go to my apt. to email me a photo of the instructions, then I can explain how to do it..  
Did she only have the 4573 and 4574 codes, or did she also have the maids code which opens all of them?

Is it possible for you to give me some help in changing the codes to the apt as [REDACTED] is fired.  
Thank you,
