I've asked Sue to email me the instructions which are in my apt, then I can send you an email on how to do it.. Bella also asked me how to do it, so I will email it to you both!
It's pretty crazy here. We are really in the middle of nowhere surrounded by sand dunes, so for me it's a bit boring because I'm limited to what the hotel has to offer which isn't much. JE has all his shmoozing to do, but I'm basically just chilling on my own. I will try and get in some gym time tomorrow.
Hope all is well in NYC.. I miss home!

Hey [REDACTED]...Rich and Harry want to change the door codes on our office doors...do you remember how to do this and could you give instruction? Or maybe you have the instructions somewhere and I could give to Harry to attempt to change!?

Let me know!

(how is it there???)
