hi [REDACTED],

..i want to ask you something: do you think i could get a car while i am in st thomas? when i go work in the morning imad drives me from bolongo house to the harbor, but when i get back from work different people have to drive me home because imad doesnt come home..he goes to the office and stays there till late. those people are not too happy that they have to drive me home. it is very uncomfortable. besides, i'm stuck to the house...i cannot go out even for food, there is no store around.

what do you think? it is that possible?

thank you,
