It is going to take too long to get visas in paris (2 weeks) since we are not French citizens, so we will not be going to Moscow.

Also, I had sent an email to Mr.D's main email address last Thursday about a possible meeting and never received a reply. (just for your info since you wanted to know what their reply was)

Thank you very much for all your help in this matter and sorry that it didn't work out in the end!

Best,

[REDACTED]
