JE has chosen the following sink and tub faucets for master bath at LSJ:

[REDACTED]

Dorn Bracht Tara.

For the sinks:

Tara. 3-hole basin mixer 20 713 892/ 20 710 892

For the tub:

Tara. Deck mounted bath shower set 27 512 892

He does not like the handheld shower shown with this set; it's too small and slim, so we will need to choose another one.. [REDACTED] looking.. Is this something that is easily interchangeable?

Is there anything else we need? Towel racks, toilet paper holder...?

I know we need sconces as well..

Tara.

20 713 892 / 20 710 892

Three-hole basin mixer, 165/135 mm projection

Max. flow rate: 1.90 gpm

Tara.
27 512 892
Deck-mounted bath shower set
