Hey guys. Here are the contact numbers of the people on the ranch. Monolito [REDACTED]
Staff line at main house [REDACTED]
I will get you Wendy's number as soon as I can. Wendy will be your point person while on the ranch. Please be aware and mindful that we are very short staffed currently on ranch and any help you can be to Wendy will be greatly appreciated; she is essentially on her own at the main house. If any emergencies arise, please contact [REDACTED]. Thanks guys.
