I'm waiting to hear back from the manufacture to confirm the sample lead-time. But I image it will be 3-4 weeks because of the holidays coming up.

Also, we can not apply any credit to this order because this not a product made with one of our mills. This product is only made through a local domestic manufacture.

Let me know if you have any questions.

Thank you Kim,

Is it possible to apply any of Jeffrey's credit to this order?

Also, if we got a strike off, how long would that take to get?
