Hey guys..

confirming we have wheelsup today at 4pm out of Teterboro, so will leave the house about 3pm. Janusz, [REDACTED] going to have you drive the suburban with some passengers and luggage, and Jojo, you will drive JE in the Bentley. We are flying out of Teterboro Atlantic Aviation.

Lyn if I change [REDACTED] ticket to leave Tuesday morning, does that give you enough time to get 71st ready?

We will need to have 11B cleaned today also after Larry leaves so [REDACTED] can move into it tonight when we are gone. It shouldn't take long seeing as he was only there one night.. will most likely need to just change the sheets and make sure it's tidy..
