Consumer Notices for Our Travelers

- **Notice of Incorporated Terms**

Your travel is subject to the terms and conditions as stated in Cape Air's Contract of Carriage. The Contract is available at [REDACTED], any Cape Air location, or by calling 1-866-CAPE AIR (866-227-3247). The Contract includes, among other provisions, limits on liability for personal injury or death and for loss, damage, or delay of baggage, denial of carriage, refunds, overbooking, carrier rights on flight delays, irregularities or schedule changes, carrier rights to change terms, check-in rules, and claims restrictions, including time limits for filing a claim or lawsuit.

For International travel, treaties known as the Warsaw or Montreal Convention may apply to the entire itinerary (including domestic portions) of a trip that is, by treaty definition, international. When applicable, the treaty governs, among other subjects, the liability of the carrier for death of or injury to passengers and baggage.

- **Baggage Liability Limitations**

Domestic Flights - Maximum liability for checked baggage is limited (1) for on-line travel solely on Cape Air with no connecting service, to \$500 per passenger; (2) for interline travel where the Cape Air flight segment is included on the same ticket as a connecting flight segment of another airline with an aircraft of more than 60 seats, to \$3300 per passenger; and (3) for interline travel where the Cape Air flight segment is included on the same ticket as a connecting flight segment of another airline with an aircraft of 60 seats or less, to \$500 per passenger. Cape Air assumes no responsibility or liability for loss or damage to unchecked, carry-on baggage, or personal wing items (e.g. those carried by the customer to the aircraft and stored in the wing locker prior to boarding), unless the loss or damage was caused by the sole negligence or willful misconduct of Cape Air.

International Flights Governed by the Warsaw Convention – Liability for loss, delay or damage for checked baggage is limited to 17 Special Drawing Rights per Kilo or approximately \$11.90 per pound with a maximum of 70 lbs., or approximately \$833. For unchecked baggage in the custody/control of the carrier, liability is limited to a maximum of 332 Special Drawing Rights per passenger or approximately \$522.

For International Carriage covered by the Montreal Convention

Liability for loss, delay or damage to checked and unchecked baggage is limited to 1,131 Special Drawing Rights (approximately \$1,750 - this conversion estimate is subject to change) per passenger.

Fragile, valuable, perishable and other items not suitable for transport -

Except for certain international travel subject to the terms of the Montreal Convention, Cape Air is not liable for loss, damage or delayed delivery of fragile, valuable or perishable items in baggage or carried as baggage.
