HI Natalia,

I just spoke with Thomas at the school whose contact info you gave to us to send payment for your school. He said he is not the one to send payment to. You need to contact and speak to a Service Representative via telephone, skype, Facebook, or email: [REDACTED]. He said you need to be registered first for your classes, they need to know your intended arrival date and date of enrollment in order to accept payment for the classes. They have no record for you as yet. Classes start on the second Monday of each month, thus the next start date would be Jan. 10th. After you have done all this, then they can give you the contact of a Financial Student Associate, whom we can then call and pay for your school via credit card. Please let me know when and whom we should call to accept the credit card payment once you've enrolled. Also, is your last name Borodina and first name Natalia? I just want to confirm this as the way you wrote it, it looks to me that your first name is Borodina and last name is Natalia? Can you please clarify?

Many thanks,  
Sarah
