Yea, I think that's what will happen. I don't think Je will want her at the house

Also, I assume [REDACTED] will stay put in 4M until she is feeling better?

Ok, great. Thanks. I called Jesse's office and confirmed Jeffrey will come to see him today. I never heard back from you or [REDACTED] regarding: is she still here or is she in PB? Let me know!

Paul Prospero just called and said Jesse Diner could see you today at 2:30. Paul is wondering if you would still like to do this...if so, did you want him to go with you? He just needs to know because he would need to change his plans (which he is happy to do) He was also asking if you would take the helicopter because it's about an hours drive down.
