I think I agree with all your choices! I like mixing it up a bit and not having all of them staged photos of the 2 of you..I also like the candle photo..  
Good choices!

hahaha!!! so fun, really. It's like I'm a whole new person.

Question for you and your artistic self, I'm in the process of putting together a wedding announcement and I need to pick out 3 pictures from the ones I sent you. There will be one long vertical and then two squares next to it. I was going to do 2 blk/white and 1 color or 2 color and 1 blk/white. Which would you choose? I'm thinking the shoes, the ring punch and then the blk/white of porter and I in front of the building (it would be cropped into the vertical). What do you think? I think there needs to be some variety as opposed to 3 pics of the 2 of us.
