Hi [REDACTED]

I've been meaning to write you! G just asked that I email you about a picture of her dad that JE mentioned he ordered for her? Do you know anything about that?

I'd love to meet up soon to make up for the last time we couldn't. Also, I couldn't contain myself and opened up your gift ☺ It was lovely!!! Thank you so much! Now you must get yours ;)

I also wanted to ask about Story's mom and the wedding? I am such a horrible friend to not ask sooner but please know that I have been thinking about you and hoping that all went well!

Best,
DB
