yes, JE wants to order steaks.. we will figure out from where..  
We will def need diet coke, I will buy champagne and a good red wine..  
JE wants the white marker board in the dining room for dinner as well.

Are you cooking? I doubt it. I know that Bill Gates likes meat so my bet is we order from a steak place. Bill drinks diet coke, red wine or a good champagne..be sure to have on hand. Like always, I'm sure we will find out that morning where to order from . Don't worry, it will all go well I'm positive.
