No, she wants to keep it. I just wanted to let you guys know that it was still active as we thought it had been cancelled due to an expiration date on a credit card changing.

I can't stop the service since it is in [REDACTED] name.. It is being charged to JE's credit card. Does she want to cancel it? If so, then [REDACTED] will have to do it.. Or does she want to keep it?

FYI – this is still being charged every month. It was not stopped. They would not tell me which card it is being charged to however.

This is the last bill that I have. Can't login anymore, the secret code is being sent to [REDACTED] phone. We pay for the phone on JE Visa card and have a new exp. Date. I can't change it because of the login password. If somebody can help me to get the password I will renew the info.

Thank you!

Bella

Hey Bella...do you know anything about this? I can't remember what the situation was. I think we put the iphone in [REDACTED] name, but wasn't sure we were still paying the bill or not?

Hi there,

██████ iPhone was from Jeffrey, but she hasn't used it in a while. They went to turn it on, but it says there is no SIM card. I suspect this is because maybe you guys had cancelled the service, which would be fine, but just wanted to check with you. Thanks and happy new year.

Kim
