No worries about return, I am sure it may change a few times and if not I would like to see if I can stop off and see my sister anyway. We can see closer to time!
See you soon

Hey subic.. so here is your flight to Newark on Thursday. The return is not the best, but for some reason all the return flights had really long layovers in London. I think when the time comes for you to go back, we can always try and find a better return from another airport with a better connection time..
I will arrange for JE's friend, Tony Cuomo to meet you at the plane and take you through customs, and a car to take you into the city. please confirm you got this and are all set!
look forward to seeing you!
