Sorry for the late reply..I've been traveling alot the last few days. I didn't order the punching bag and have no idea where it came from. I know it's been around for awhile. I can help and try to find/buy a stand for it as well. I've looked online and see the whole unit for sale, not just the stand, but I'm sure if I call, maybe they can just sell me the stand

The manager at JE's house says he does not see a stand anywhere.

I think this is something JE has had in storage for awhile, so I'm not sure if there ever was a stand, and if there was, I'm not sure where it would have ended up! I think it's safe to say a stand will need to be purchased for it..

Hey there,

Eva asked me to call because someone from your office sent over a boxing apparatus. Apparently there are suppose dot be 2 pieces - the punching bag and a stand. There is not stand. Eva said the box was open so maybe someone took the stand or it is misplaced? She asked if you guys had the stand somewhere or should we try to order it?

Thanks.

Kim
