I'm wondering if he meant to send to me instead?

We need lampshades for his new lamps in master bedroom from Leahs. I need to know what size and shape and color they should be.

He changed the color blue for the master bathroom rug, so I'm having another sample swatch made in the new color.

He agrees we need rugs in guest rooms, but I don't know what sizes yet.

I tried asking what sort of rug he wanted in master bedroom, but he was thinking about something else.(we need to find out if we should custom make it, or try and find something already made, what colors, what design, etc)

We need larger side tables for outside on the terrace sitting area.

And robes, we should have plenty extra at 71st if you want to ask lyn and bring some with to the island when he comes.

Do you know the travel plans yet?

Morning [REDACTED] sorry to bother you with this, he sent me this. Just want to check what you think.

I presume he means lampshades and sidetables for blue cabana?

Carpets...has he mentioned anything further since saying we werent going to do the 2 small cabanas and has he mentioned anything further about the blue cabana having a carpet. And possibly he is referring to one for his small office? And the master bedroom and master bathroom?

Has he mentioned anything to you about bathrobes. Should I check with [REDACTED] if we have in storage on LSJ?

I am sorry to have to check everything with you but especially having been away I know you may know more than me.
