Haha. I left at 6am, went to 71st, then Larry said there was plane trouble and we couldn't leave till 3pm, so I came back and went back to bed, then JE called at 8am and said the plane was working, so I got up and left again! I was in a foul mood this morning after that! Slept the whole plane ride. Just landed... I was hoping to do brunch with you today. Was so happy about being delayed. Oh well..
