I returned them for a refund. I will confirm how much we are being refunded as I believe there is a restocking fee

Gary,

I was informed back in December the attached purchased by Sarah was for the below job

LSJ # 1004 cost code 15-401

Now I'm just hearing these sinks were not used for this project so what I would like to know is where are these sinks and why do we have a breakdown in communication. This was posted to the job and if it was not used than we need to reclass this expense.

Thank you

Emad Hanna
