i have no information other than that
it all was added before my arrival
it appears that if you have more watches that are on policy then some were never added to policy

regarding your car - do you have an estimate of mileage
thanks

That doesn't really tell me anything. Any other distinguishing factors for the Patek Philippe watches?

i do not have photos however obtained this information:

Items #1 thru 7 were added to the policy in 1994. Item #8 was added in 1998, items #9 & 10 were added in 2000, item #11 was added 2001, items #12 & 13 were added in 2003, item #14 was added in 2004 and item #15 was added in 2005.

I hope this helps. Let me know if you need additional information.

Hey rich. Do you by chance have photos of the items on the jewelry list of JE's? It lists two Patek Philippe watches, but he has more than that in his watch drawer and would like to distinguish which ones are actually insured
