Important Information About Your Delivery:

In order to protect you from shipping damage it is vital that you inspect your order once it arrives. Please report any shipping damage to our customer service department within two business days of

receiving it. You must retain all original packaging associated with your order (including over boxes) so our service department may properly assist you. Failure to retain all original packaging may limit your return options.

Orders shipped via FedEx or UPS ground will be delivered Monday through Friday and do not require a signature. Customers with orders involving a freight line shipment will be contacted by the carrier to arrange a delivery appointment as a signature and product inspection is required. Unless premium freight is selected at the time of purchase all items shipped via freight line carrier will be delivered to the front of the home or business. Once an order has shipped it may no longer be cancelled. Please contact our customer service department should you wish to request a return. (*Return fees may apply).
