Hi Karim,
Can you please help me with the following questions our pilot still requires? Many thanks!

I guess the important info Universal needs;
Departure time from Dakar, mali, and Gabon,.
-Where you'll be staying, -address or person you'll be meeting, I told them "office of the President" but need
little more if Karim can help us out with that, and
-Who will be flying on plane for those legs.
Thx,
You want me to take your luggage if you have it ready?
