Ion has told me that JE is happy enough with the doors but would now like to do the trim in the same color as the doors. I dont think it will take him long, maybe only a day, 2 at most. I will confirm with JE shortly that Ion is correct and then Rich can schedule Michael for this week if possible. Once JE has confirmed with me I wall call Michael and explain so there is no misunderstanding.

Hey [REDACTED]. Rich is asking about Michael the painter coming to finish the 5th floor trim. Do you know anything about this? I think JE looked at it with Ion last week? Michael was wondering if he should come in to finish?
