a few things..

regarding room 1.. there are 4 side tables which should be on island from Restoration Hardware, 2 which should be put beside the bed.(the other 2 will be used in room 4) the 2 coconut drawers can be put on the walls in either side of the entry door. There are 2 wooden mirrors which should be hung above the coconut drawers. JE wants to hang the 2 feather circles above the wall behind the couch. The red one should go on top, and the purple one below. the middle of the red feather thing should line up with the middle of the decorative moulding(or cornice; not sure what it's called) above the doors.

call me with any questions! thanks..
