great, thanks..

I would think it would be best to use the larger 2 benches in rooms 2 and 3, and the smaller bench/stool possibly in room 1

otherwise, I don't think room 1 needs a bench at the end of the bed as much as rooms 2 and 3.

Good Morning Sarah,

Attached photos, sorry about the delay - camera issues

Photos

Fluffy items above bed

Old Bench & Cushion from room 2

Old Bench & Cushion from room 2 and 1 of 4 small stools that were in room 1 - thought they might be able to be used somewhere

Mirror, I would recommend waiting until back on site before adding the other fluffy item above mirror - need to see the entire room

I have forwarded the list of items that have been purchased for the rooms to Gary - ie mirrors, faucets etc

I will keep sending photos of items that I locate in Cost U Less - for possible use

All the best
